Staff workshop budget decision

Maya Ellis to Casey Lin | 1 September 2026 | Revision 1

I request authorization for a 12 person staff workshop with a proposed cost of USD 1,000. The plan stays USD 200 below the USD 1,200 ceiling. No spending has been approved.

Proposed cost

Equipment costs USD 600, materials cost USD 200, and the venue quote is USD 200. Together these total USD 1,000. The budget ceiling is unchanged.

Decision needed

Please decide whether to authorize this proposal. Until that decision is recorded, keep the workshop at proposal stage and make no purchases.
